

Loving Dementia Care

Learn the Skills You Need to Succeed

An opportunity to learn and share the challenges and rewards of caring for people with dementia

This workshop is intended for nursing and allied professionals working in healthcare and community settings caring for people with dementia.

Wednesday, Feb. 19, 2020
8:15 a.m. – 12:30 p.m.

UCSF Mission Bay Campus
Byers Auditorium
Genentech Hall, First Floor
600 16th Street, San Francisco

Workshop topics include:

- Overview of dementia
- Cognitive and behavioral symptoms
- Case studies
- Strategies and resources
- Family caregiver panel

Nurses who want CEs can register at www.ucsfnursing.org/education/continuing-education-courses. (Non-UCSF nurses will be charged \$50.) This training is provider-approved by the California Board of Registered Nursing Provider #CEP 12980 for 3.5 CEs.

Licensed social workers and therapists who want CEs can register for \$5 (free for NASW members) at www.naswca.org/events/EventDetails.aspx?id=1315478. This training is provider-approved for 3.5 hours of continuing credits for LCSWs and LMFTs by the California Board of Behavioral Sciences, CA State Board of Behavioral Sciences Approved Provider PCE 44.

Allied professionals who do not need continuing education credits may register for free at calendar.ucsf.edu/event/loving-dementia_care2020.

Please register by Feb. 17. A certificate of completion is available for all registered attendees. If you have questions, please email Sarah.Dulaney@ucsf.edu.
