

# CALL TO ACTION!

CALLING ALL 10,000 SOCIAL WORK STUDENTS IN CALIFORNIA!!

## 23 STRONG & THE STATE OF GEORGIA NEED SOCIAL WORK STUDENT VOLUNTEERS!

**23Stong** has been called by the Georgia Democratic Party to join the fight for the Senate. Adrienne White, Vice Chair of the Democratic Party in Georgia is asking for help from all the social work students and social workers in California to stand up and support Georgia Democrat Senate candidates in the runoff election. The environment, immigration reform, healthcare for all, racial equality, and social justice are all at stake!

Without the Democrats having a Senate majority- the Republicans have sworn to stop passage of all progressive bills from the House of Representatives during the next 4 years! We, the students of California can join, support Georgia Democrats, and win the U.S. Senate!

10,000 social work students committing to a couple of hours of work doing a phone bank anonymously from your laptop to the 85% Democratic DeKalb County (pronounced De-Cab) can make all the difference in Georgia! Join us!

If you don't have a designated 23Strong Representative in your student leadership, appoint one now, and contact [23strong@naswca.org](mailto:23strong@naswca.org)
