

# N A S W - C A V A C C I N E F O R U M

TUESDAY, MARCH 23  
5:00PM - 6:15PM PDT

## ABOUT:

NASW-CA invites providers across the nation to join us for this informative event that will equip medical and behavioral health providers with clinical tools to address questions about the medical science behind COVID-19 vaccinations and have trauma-informed conversations with patients.

## LEARN:

- The most up-to-date science about the COVID-19 vaccine
- From the provider perspective, how to articulate the risks and benefits of the vaccine and what to expect
- How to demystify conspiracy theories related to the vaccine with a culturally responsive lens
- How to support our clients/patients where they are at, while recognizing their unique lived experiences and honoring the historical harms of systems on communities of color
