

NASW-CA: Joining the Stop AAPI Hate Movement

Wednesday, March 24, 2021
10AM-11AM PDT

Stand with Asian American and Pacific Islander communities against the rise of hate incidents amid the COVID-19 pandemic

We invite providers and advocates everywhere to learn about the prevalence of these issues, ground in the historical truths of anti-AAPI racism in our country, and join us and rise up in collective action for necessary change.
