Welcome to the InterOptimability Training Curriculum and Certification (ITCC) program.

Public and private programs, agencies and organizations nationwide are preparing to build, rebuild, and grow in 2021 and beyond. And – as the pandemic has demonstrated every day – the need will be greater than ever to address socioeconomic problems, racial disparities, and health inequities with improved Interoperability and information-sharing. We've built ITCC to fill that need.

ITCC provides the knowledge, skills, and tools that enable individuals, teams, and entire organizations to hone the competencies needed to make real progress.

REGISTER for ITCC's first learning group:

April 14, 9 - 10 am PT: Kick-off webinar

May 5, 9 - 10 am PT: Module 1 webinar

May 19, 9 - 10 am PT: Module 2 webinar

"The ITCC program is genuinely unique and will be very helpful for addressing our department's work to integrate service delivery across multiple divisions. After taking the first course, our team unanimously found it will further their work while also improving our collective strategic planning."
