

Social Workers Supporting Communities: Afghan Refugees & U.S. Resettlement (1.5 CEU)

JANUARY 27, 2023

12:00 PM - 1:30 PM PT

VIRTUAL | FREE REGISTRATION

Shortly after the U.S. military withdrew from Afghanistan, the Taliban took control of the capital, Kabul. Over 78,000 Afghan citizens were evacuated from Afghanistan to the United States. **Learn how to provide people-centered and trauma-informed assistance to this population.**

LEARNING OBJECTIVES

- Key dimensions of what led to the emergency evacuation of Afghan citizens
- The unique biopsychosocial factors that affect this group
- Community-based and government organizations assisting through resettlement programs and efforts
- Opportunities for social workers to support Afghan resettled and repatriated communities
