

# ABUSE IN LATER LIFE:

OUR ROLE IN SUPPORTING OLDER  
AND DEPENDENT ADULTS (2 CEU)

PRESENTED BY MILES MCNEELEY, LCSW

Learn the relationship between ageism, abuse, and intersectionality in elder/dependent adult abuse.

FEBRUARY 17  
1 PM - 3 PM PT  
VIRTUAL

NASW MEMBER: FREE  
NONMEMBER: \$20

## COURSE OBJECTIVES

1. Describe structural issues that put older adults and dependent adults at risk for abuse, and serve as protective factors to prevent abuse.
2. Describe individual/micro risk factors for adult abuse.
3. Name the 5 types of elder/dependent adult abuse and signs/symptoms for each type of abuse.
4. Describe situations that require filing an Adult Protective Services report.
5. Identify which agencies to file reports of adult abuse depending on situation and setting.
6. Identify concerns reporting parties experience when reporting adult abuse.
7. Describe interventions utilized by Adult Protective Services and other 1st responders to adult abuse.
8. Identify supportive interventions utilized by aging service and victim service providers to support older adults experiencing abuse.
